

**Location** Catalogue Solutions Ltd. – Notabile Road, Mriehel, Malta

**Terms** Full time

### ***Vacancy details***

#### **The Company**

Catalogue Solutions Ltd researches, designs and develops specialist software systems to meet the needs of catalogue and home shopping businesses in Malta and overseas.

Our client base portfolio includes organisations from Greece, Russia and the United Kingdom.

Due to expansion, a number of opportunities are available for the posts of:

**SOFTWARE DEVELOPER**

#### **The Position**

As our business continues to grow, we have interesting opportunities for Software Engineers to join our innovative and technically challenging project teams.

You will have at least 2 years working experience in software design and development, and be particularly well-versed in the use of Microsoft Visual Basic 6 and VB.Net, and database management using Microsoft SQL Server.

This is an exciting opportunity that offers first-hand experience with the entire software development process, direct contact with clients and an opportunity to travel and meet new people. The salary offered will be commensurate with experience.

#### **Other detail**

Remuneration and other conditions will be commensurate with experience.

A covering letter clearly indicate the post of interest, together with a detailed CV are to be sent by post or email to the General Manager at Catalogue Solutions Ltd.

All applications will be treated with the utmost confidentiality.

TCC is an equal opportunities employer.
